***How much better to get wisdom than gold, to choose  
understanding rather than silver! Proverbs 16:16***

***JUNE 2019***

***A Church of Worship:***

***In his account of JESUS' birth, Luke wanted to capture in words the spirit of "great joy" that the angel predicted. Among our dreary, defeated world, we have a lasting hope that is bursting forth. Come worship with us, and sense the presence of The GOD that brought His only Son into the world so that we may finally believe!!***

***Pastor: Joe Peabody, Sr.  
Lay Leader: Andy Parker***

## ***A WORD FROM OUR PASTOR***

Mother Teresa often speaks with such simplicity that even I can figure it out. Like one day she visited the president of Mexico. The president said the nice things expected of public figures, how he hoped that he might be like the Sisters of Charity, if he were not president.

“I told him that he had to become holy as a president: not as a missionary of charity, but as a president. He looked at me a bit surprised, but it is like that: we have to become holy, each one of us, in the place where God has put us. (Not longing for some other place of service.)”

In my home, with my friends, at my job. That’s where God wants me to discover and live a holy, Godly life.

Perhaps your holiness will lead you to invite someone you care about to worship and study with you.

Joe
